Description:

EMBLEM STAR Exact Proof Paper is a multiple coated, semimatt paper. Due to its special surface, SEPP is especially suitable for proofing.

Typical Applications:

Proof & PrePress:	Presentation / Colorproofs

Because of the great number of potential influences at object time and applinace of the above-mentioned materials, on which we have no bearing, test prints have to be effected by the user himself. A legally binding warranty can not be deduced from our specifications. Every liability and warranty that goes beyond the warranty of the product amounting to the product's value as well as entitlements to damages are excluded.
