Description:

EMBLEM Solvent City WhiteBack is a matt, white, barriercoated paper for solvent based inks.

The specific surface permits a good ink coverage and brilliant colours.

As paper is a natural product, there might be changes.

Typical Application:

Advertising, Outdoor Signage, Photorealistic posters and prints, Indoor signs, Light Box Displays

Small print

Because of the great number of potential influences at object time and applinace of the above-mentioned materials, on which we have no bearing, test prints have to be effected by the user himself. A legally binding warranty can not be deduced from our specifications. Every liability and warranty that goes beyond the warranty of the product amounting to the product's value as well as entitlements to damages are excluded.
