### Description:

EMBLEM SOPEP is a especially developed paper for digital inkjet printing. The excellent coating is printable with solvent, eco-solvent, UV and latex inks.

The main field of application for this paper is the production of posters and display advertisements for indoor applications because of the brilliant colour reproduction. Solvebt Perfect Poster has an ecellent flatness.

The drying time depends on the amount of ink and the ink technology.

To avoid fingerprints the use of cotton-gloves is advisable.

### Typical Applications:

Poster, displays, POS

Because of the great number of potential influences at object time and applinace of the above-mentioned materials, on which we have no bearing, test prints have to be effected by the user himself. A legally binding warranty can not be deduced from our specifications. Every liability and warranty that goes beyond the warranty of the product amounting to the product's value as well as entitlements to damages are excluded.
