### Description:

SOVCA is a cotton polyester Canvas with matt glossy finish in both sides. It can be printed with Eco-Solvent-, Solvent- and UV-curable inks. The media is sewable and can be stretched over borders for art reproductions and stage decoration.

To avoid fingerprints the use of cotton-gloves is advisable.

### Small print

Because of the great number of potential influences at object time and applinace of the above-mentioned materials, on which we have no bearing, test prints have to be effected by the user himself. A legally binding warranty can not be deduced from our specifications. Every liability and warranty that goes beyond the warranty of the product amounting to the product's value as well as entitlements to damages are excluded.
