Description:

TTYV is a coated, matt and tearproofed tyvek-banner.

This banner is provided with a water proofed coating.

Prints that are not water proofed can be obtained on the HP-printers 2000/3000/5000 with pigmented ink.

The medium is qualified for indoor- and outdoor-appliation and can be eyed easily.

TTYV can be used as a scaffold banner, a banner for clamping fixtures and as a construction-display.

To avoid fingerprints it is advisable to wear cotton gloves.

Typical Applications:

Outdoor Appliances: Hanging Banner/
eyed Flex Banner

Decoration: Shop Windows/
Backdrop

Display: PopUp/rotating

Trade Fair Building: Signs/Banner/Displays
